The Mercyhurst University Art Department consists of working artists themselves, currently exhibiting in the field.

In 1926, Sister Angelica Cummings founded Mercyhurst's fine arts department. While guiding hundreds of art majors, she steadily built a body of work that earned her recognition across the country and Europe. In 1984, Mercyhurst dedicated an art gallery in her name. Mercyhurst continues to honor her memory through exhibiting the works of students and faculty, as well as regional and national artists. Every year, Cummings Art Gallery proudly offers several fine art exhibitions for the Erie community to enjoy.

The Cummings Art Gallery proudly showcases an exhibit of their latest works featuring:
